MEMORANDUM FOR: Deputy Director of Central Intelligence

SUBJECT: Reaffirmation of Status of
[redacted] on Killian Committee
Recommendations

25X1

1. Last summer, [redacted] DAD/Commo, represented the Agency on the group convened by ODM to deal with the communications recommendations of the Killian Report. [redacted] reports that this group completed a number of recommendations but left some incomplete for various reasons.

2. ODM has just asked that the group reconvene to look further at the recommendations, and has requested specifically that the credentials of the various agencies' representatives be reaffirmed. On Monday, 23 January, I learned through [redacted] of DDI that [redacted] is prepared to continue this responsibility and required a clarification of the matter before Wednesday morning, 25 January, if possible. Because of the urgency and the lack of time to get a formal statement [redacted] authorized [redacted] to continue his responsibilities as the Agency's representative on the specific communications recommendations.
